

New Hampshire School Boards Association

Theodore Comstock, Esq., *Executive Director*

Your membership dues provide your board with many benefits:

- Vital information on critical state and federal education issues
- Orientation sessions and materials for new board members
- Answers to daily questions from member school boards and superintendents concerning:
 - New Hampshire School Laws and Regulations
 - Legal Issues
 - Collective Bargaining / Contract Negotiations
- Expert guidance on how to interpret and apply new educational developments, as well as state and federal programs and regulations
- Convenient access to the online statewide Teacher Labor Contract Database
- Strong legislative advocacy in representing the voice of school boards at the New Hampshire Legislature
- Timely legal and legislative updates
- Informative publications on “cutting edge” school board issues
- Individualized training sessions on specific topics of interest, including board relations, communication skills, collective bargaining, Right to Know, and superintendent evaluations

These reasonably priced services are also available to members:

- Policy Services Subscription, which includes continually updated Sample Policies, an online policy database, update bulletins, and answers to daily questions
- Policy Review and Complete Policy Manual Customization services as needed
- Comprehensive professional administrative search services (superintendent and other administrator recruitment)
