

School Administrative Unit (SAU) #21
Assistant Superintendent for Curriculum, Instruction and Assessment
2019-2020 School Year Vacancy

The School Administrative Unit #21, which serves the Hampton Falls, North Hampton, Seabrook, South Hampton and Winnacunnet High School districts, is actively seeking experienced, qualified candidates for the position of Assistant Superintendent for Curriculum, Instruction and Assessment, effective July 1, 2019. Located on the southern seacoast of New Hampshire, SAU #21 serves districts offering an outstanding pk-12 public education to 2,400 students. The SAU senior administrative team includes the Superintendent of Schools, Assistant Superintendent for Curriculum, Instruction and Assessment, Director of Student Services, and Business Administrator.

The Assistant Superintendent leads the development of the SAU vision for student learning and provides leadership to programs and efforts to enhance student engagement and attainment. He/She ensures that SAU and district educational objectives are aligned to state frameworks and to instructional practices that yield the highest standards for student achievement, instructional excellence, and community support in all curriculum areas. Responsibilities include the implementation and coordination of instructional programs aligned with state standards, coordination of professional learning related to curriculum, instruction, and assessment, and ongoing implementation of instructional practices and services within a Response to Intervention (RtI) model.

The Assistant Superintendent is also responsible for implementation of the SAU-wide educator evaluation model. In addition, he/she works collaboratively with the Human Resources Director and Building Principals to ensure that all educators are appropriately certified for their teaching responsibilities. The Assistant Superintendent collaborates with local authorities to facilitate SAU and district efforts in crisis intervention, emergency preparedness, and safety planning. The Assistant Superintendent also works collaboratively with the Director of Student Services to ensure that the curricular needs of all students are met in the least restrictive environment throughout SAU #21.

Qualifications for this position include: certification or eligibility for certification as a Superintendent or Assistant Superintendent in New Hampshire; certification of advanced graduate studies in Educational Administration required, Doctorate in Educational Administration preferred; minimum of five (5) years experience in classroom teaching or related experience required; minimum of three (3) years of building level administrative and/or supervisory experience and/or SAU level curriculum, instruction, and assessment experience that demonstrates capability in learning theories and instructional strategies, curriculum development and implementation, assessment of student achievement, and teacher supervision and evaluation required. Comparable levels of training and experience may be substituted for the minimum qualifications.

The School Administrative Unit #21 is offering a competitive compensation and benefits package for this leadership position, commensurate with experience and qualifications. The start date for the successful candidate will be July 1, 2019.
