**Continuing Resolutions for 2026
Adopted at the 2025 NHSBA Delegate
Assembly October 25, 2025**

1. The NHSBA will advocate for minimum standards for public school approval, ED 306, that are consistent with the NHSBA Statement of Beliefs Manual and current approved Continuing Resolutions. (2024)
2. NHSBA will advocate for laws governing impact fees to be updated to require local Planning Boards to revisit impact fee methodology, policy, and schedule at least every five years, to ensure local ordinances reflect legislative or rule changes and consider other local factors and school district concerns. (2024)
3. NHSBA will support legislation that requires the State of New Hampshire to fund the cost of the Youth Risk Behavior Survey for all New Hampshire middle school students in the state in districts that wish to implement it. (2024)
4. NHSBA supports legislation which prioritizes the well-being and safety of students and, while recognizing the rights of parents to make decisions about their children, also gives due consideration and weight to educators' professional judgment and their responsibility under the Code of Ethics for New Hampshire Educators to always act in a student's best interests. (2024)
5. NHSBA opposes state-mandated open enrollment. (2025)
6. NHSBA supports legislation that would for a simple majority to approve bonds intended for the maintenance, repair, or improvement of existing school district facilities, especially when the major portion of the borrowed

funds are essential to bring such facilities up to fire and other safety requirements, or improvements necessary to meet the requirements of the minimum standards for school facilities.
